

Uni3 changing rooms regulations

Dear all

To ensure availability and comfort for all users, we kindly ask you to follow the changing room regulations:

- The lockers are not personal, please remove all your belongings after each usage.
- The lockers are locked for maximum 12 hours, then they will open automatically.
- Please close the door to the drying room after you to ensure the best drying effect.
- On the last Friday of each month at 17:30 the changing rooms will be cleared of all leftover clothes and items that are found inside open lockers, in the common areas and in the drying rooms.
- Collected clothing and items will be stored in the collection box in the changing rooms for a limited time and then stored away. Clothes and items that are not picked up after three months will be discarded.
- Check carefully that you have taken all your belongings with you when you leave.
- Please throw any trash in the trash bins.

Cleaning

Cleaning of the changing rooms will take place twice a day:

- 10.00 & 14.00

For technical problem with the lockers, please call Contact Centre
