

Boka en lucka

Now you can easily borrow tools from a neighbor, leave the key to a handyman or surprise a loved one with a gift conveniently. The boxes are available to everyone. In addition to picking up what you buy online, you can also use iBoxen for the safe transfer of gadgets, temporary storage, swapping, borrowing or selling second-hand goods.

Now you can easily and conveniently book an iBoxen slot in your neighborhood or where you pass daily. As soon as you leave something in the box the recipient receives a text message with instructions on how to collect the item. In order to that both the sender and the recipient feel safe, both the sender and the receiver need to identify themselves via Mobilt BankID and have a Swedish mobile number.

This is how you do it, step by step:

- ✖ Download the iBoxen app. You can find it in the apps section.
- ✖ Click on "Bookings" and then on "Book a hatch".
- ✖ Select an iBoxen on the map, book a slot and fill in the phone number of your recipient. You can choose the sizes: small, medium or large.
- ✖ Book and pay with Swish
- ✖ Go to the iBoxen where you booked a slot, follow the instructions in the app on the spot.
