

YOUR BADGE YOUR RESPONSIBILITY

!

Why it matters
Your badge gives you access. Losing it or misusing it can put our people, data and business at risk.

IT ONLY TAKES ONE PERSON ONE OPEN DOOR IS ENOUGH

uni3
by Geely

Your badge defines your identity, access and accountability.

Letting someone in or sharing your card is a serious security breach.

We all share responsibility for a safe, secure and trusted workplace.

Security isn't just a set of rules. It's a culture we build together.

YOUR ROLE: DO

WEAR YOUR BADGE

Always wear your badge visibly inside secure areas.

CHECK ACCESS

Make sure people entering are authorized. **No badge, no access.**

USE YOUR OWN CARD

Enter using your own access card and never share with anyone.

REPORT ISSUES

See something suspicious? Report it. Speak up.

AVOID: DON'T

DON'T TAILGATE

Don't hold the door for someone or follow others through secure doors.

DON'T SHARE

Don't share your badge or let others use it.

DON'T IGNORE

Don't ignore suspicious activity or policy violations.

DON'T COMPROMISE SECURITY

Don't hesitate to ask for ID. If asked, be ready to show yours too.

Strong technology
needs smart behavior.
Thank you for doing
your part.

Let's protect our people,
security, and future.
Together.
